ROBLOX released a new website design on September 17, 2021 (9:00 AM). This update changed many things to help revamp the community and also for users. It includes a revamped chat, which is shown on the right. This update added many new features such as "Continuous Games" and "Better Chat". It also added badges for various events.

ROBLOX does not allow players below the age of 13 than sign up for an account. This is because of the maturity level that ROBLOX expects all players to have. ROBLOX does not allow users to make profanity in the game and the server does not allow it, however there are many areas on the game and on their website that do, such as chat boxes in games. They have also recently added a filter button which blocks certain words from appearing in chat. This feature was created to block words that appear to be offensive and potentially harmful at times.[42]

Roblox is used for many educational purposes. For example, students can use it to practice basic coding skills such as the keyboard, the number keys, and how to move the characters on the screen. Teachers have also found it useful for teaching basic physics such as gravity and force. It's also used in STEM (Science, Technology, Engineering and Math) classes at elementary schools in which students have access to do robotics projects.

This game has many bugs such as glitching which can happen at any time including in games. There is no way to report this glitch due to the fact that the button isn't there and you can only report it from the website. This is extremely annoying because you need to refresh the page and play all over again, but this usually happens when you are about to win.

ROBLOX allows users to design avatars for themselves and use them in games. ROBLOX also provides users with tools that help them create a variety of designs for their characters which they can upload on the website to share with others. On January 30, 2021, ROBLOX launched an app that allows users to buy hats, shirts and pants for their characters. This is another first-of-its-kind feature on the app store as many apps do not allow people to buy virtual goods like hats or shirts. ROBLOX allows players to make full custom outfits for their avatar character that can be purchased with virtual currency via the app store by linking your account with paypal when purchasing.

Afterwards, ROBLOX began taking action on these cases and will be using an automated system to monitor all transactions for suspicious activity.[43] ROBLOX has also been known to restrict the number of items that a player can sell. This is because many people would sell off too much of their collection to gain more currency, which can make it harder for other players to find popular items.[44]

If that never happens then the servers are going to crash and the game will die. If you take a look at the way ROBLOX's developers are trying to make even more money, you will see that they do not want to add any real value to their games. They want people to spend real money for fake money (robux) so they're going to make it so that it's impossible for someone who doesn't pay for robux to exist within their virtual world.

In 2021, a new logo was introduced to represent the company: it consisted of a white capital letter "O" on a black background. The logo underwent several changes under various visual design changes during this period. The "O" was sundered into two smaller, green squares with rounded bottoms that closely resembled the shape of the letter "L", which remained in use until 2021. In 2021, ROBLOX released an entirely

new logo based on the previous one: this iteration featured a black capitalized "R" on a white background. It was designed to feature the company's name without any visual association to the original logo. The previous logo is still in use today, albeit with a thicker frame.
